EDUCATION

B.S. **National Yang Ming Chiao Tung University (NYCU)** Hsinchu, Taiwan
Department of Information Management and Finance Sep.2024 - Now
Cross-Disciplinary Program in Computer Science GPA: 3.92 / 4.30

- Selected as 1 of 10 undergraduates for Computer Science Cross-Disciplinary Program per year

EXPERIENCE

Computational Photography Laboratory, National Yang Ming Chiao Tung University [Link]
Ungraduated Research May.2026 - Now
Advisor: Prof. Yu-Lun Liu

- Explored novel approaches in 3D scene reconstruction and video generation

AI System Benchmarking and Tuning Lab, National Yang Ming Chiao Tung University [Link]
Intern Feb.2026 - Now
Advisor: Prof. Tien-Fu Chen / Mr. Li-Ping Ho

- Developed a GenAI system and created specialized modules for testing
- Assisted in project workflow management, data organization, and progress tracking

AI System Lab, National Cheng Kung University [Link]
Ungraduated Research Jun.2024 - Jun.2025
Advisor: Prof. Chia-Chi Tsai

- Evaluated the performance of state-of-the-art open-vocabulary object detection models
- Constructed a new dataset, the Low-quality image dataset, containing four degradation types

PUBLICATIONS

Evaluating the Performance of Open-Vocabulary Object Detection in Low-quality Image Aug.2025
Po-Chih Wu arXiv [GitHub][Paper]

SKILLS

Programming Languages: C++, Python, R

Tools: Git, Linux

Test Score: GEPT Intermediate (PASS)

HONOR & SCHOLARSHIP

- **Cross-Cultural Experiences in STEM at Kumamoto University Scholarship** 2026
  - Visited Kumamoto University in Japan for a 6-day exchange program on a scholarship
- **National Chiao Tung University (NCTU) Alumni Association Scholarship** 2025
  - College of Management Students, An overall course grade higher than an A- level
- **Scholarships for Immigrants and Their Children** 2025, 2024
  - Outstanding Students, An overall course grade higher than an A level
- **Taipei City Mayor Award** 2024
  - Highest Distinction, Top 1% of High School Graduates

ACTIVITY

Students' Information Technology Conference (SITCON) Taipei, Taiwan

- **Field Staff** 2025, 2024
  - Supported event operations for 1,000+ attendees, and guided participants through the venue to resolve various inquiries.
- **Audience** 2026, 2022
  - Attended keynote speeches and workshops to stay updated with the latest industry trends and emerging technologies.

g0v Summit Taipei, Taiwan

- **Field Staff** 2024
  - Provided support for 500+ international speakers and guests throughout the three-day event

2026.11.01 update
